

Don't Wait!!

Start your planning straight away for Sunday 11th April, the 2010 Trolley Derby!!!

The sooner you find those old pram wheels, the easier it is going to be to get that 'rocket' zooming down Grantham Street.

Please remember, this is a family day, fun for all. We do cater for everyone and every type of trolley is welcome, whether it's a state of the art high-tech model or twenty years old and dug out of Grandpa's shed.

Get an actual Speed Camera photo of you and your trolley zooming down the road and not even have to pay a fine!!

However there are many businesses, community groups and individuals who make this event possible with their invaluable support, whether it be through the donation of money, goods or services.

We would like to thank you all — you know who you are!

Hamilton Bluelight Trolley Derby Committee would also like to thank everyone who participates, spectates, encourages and helps to build the trolleys.

Important...

All participants must stay alert as to their next race –times cannot be given due to the unknown quantity of competitors.

All efforts will be made by the race marshalls to ensure each competitor is in the correct race.

HOWEVER if they miss their race then they may NOT BE ABLE to be placed in another!

It will be your responsibility to push your trolley from the finish line along the river path to the rowing club where it will be taken back to the pits. Failure to do this may result in you not making your next race!

Safety is Paramount! You must listen to all instructions given by race officials. The start line moves further up the hill with each race category. While speed is an element, the focus is on fun.

Every competitor will get at least two races. A practice run, or more if time permits. Heats, and depending on numbers in your category, perhaps a consolation event where you may still make it to the semifinals.

Don't give up early!!
